Dear Rosemary,

We are delighted that the congregation chose to raise funds for Dementia UK. On behalf of Dementia UK, Admiral Nurses and the thousands of family carers we work with, I would like to say thank you for raising an incredible £400.00. What a fantastic achievement!

Your donation will help support carers, like Janet to continue to receive specialist dementia support, from an Admiral Nurse, that is right for them, and enables them to live positive and fulfilling lives.

*“My Admiral Nurse was the one who comforted me, who listened in a compassionate manner, who advised and gave me information that other professionals had failed to supply, who found the time to try and explain and understand my mental turmoil. Knowing that she is there for me is a great reassurance. Words cannot express my debt to the Admiral Nurse” - Janet, Carer.*

Admiral Nurses walk the dementia journey alongside the families they support, drawing on their nursing experience, knowledge and an understanding of each individual family's needs.

They could not do this without the support we receive from people like you. On behalf of Dementia UK, Admiral Nurses and the families we help, thank you for helping us to be a part of that journey.

With very best wishes,

**Natalie Spreckley**  
**Community and Events Fundraising Assistant**
