St Peter's PCC, Little Budworth

Dear St Peter's PCC, Little Budworth,

On behalf of Tarporley War Memorial Hospital, I would like to thank you for your recent donation of £400.00 which we received on 23/03/2017. We really appreciate the support of our local community, perhaps you would be kind enough to pass on our thanks to all the congregation who made this donation possible. Every year, together with the Matron, we put together a wish list of items for the nurses, and we are hoping to us this money for some of these items. I would be delighted to let you know what we have used the money for in due course.

Since our organisation began in 1919 our mission has been to continue to support people living in Tarporley and the surrounding villages with a modern, accessible and caring health care service.

Over the years we have continued to be supportive to our local community, but each year this becomes more difficult as our grant from the NHS decreases year on year. To continue our work this year we need to raise £700,000 which is 70% of our overall funding. This is only possible because of thoughtful contributions from groups like yours. Thank you for your support and for helping us to succeed in our mission.

Please keep this written acknowledgment of your donation for your personal records.

Again, we thank you for your support and helping us succeed in our mission.

Sincerely,

**Caroline O'Gorman**
